

Bicycle Parking

Outdoor bicycle racks are located on the east side of the building under the building canopy.

Bicycle racks are for the use of Building employees, free of charge, on a first-come-first-serve basis. Bicyclists are responsible for providing their own locks and securing their bikes to the racks.

Owners of scooters, motorcycles or any other motorized vehicle 50cc or less may utilize the on-site bicycle racks (51cc and larger are prohibited). Additional parking for scooters can be accommodated at the McDonald's Cycle Center at 239 East Randolph Street (888-BIKE-WAY). Please visit their [website](#) for additional information.

Limited indoor bicycle parking is available in the 300 East Randolph parking garage. Due to the limited number of spaces available, registration for the bicycle parking spots will be on a first come, first serve basis, with a completed registration form. Please note: if the spaces fill up, a wait list will be compiled on a first come, first serve basis and a registration form must be completed in order to hold your space on the list. Completed registration forms can be emailed to **annie.nazzaro@jll.com** or delivered in person to the Management Office located on the 14th Floor; phone 312-202-3800.
